Episode #41:

- A Trial of Strength

Scripts:

Narrator: As Mahogany Town draws near, Ty sets his sights on becoming stronger than ever. With a new challenge ahead, how far will he push himself in his pursuit of victory?

Ty: Alright! We are half way closer to Mahogany Town, I can feel it

Ash: **Smile** Not just close, but we're getting there.

Max: **Holding Togepi** Hey, are you sure this is the right route?

Avery: It does look a bit different from the main road.

Ash: We're on the right track. Thanks to Harrison's tip, this shortcut would get us there faster. So we're definitely on the right track.

Avery: **Relieved** Oh, okay. Just making sure that we don't get lost.

Sarah: And looking out for any wild pokemons around.
Ty walks slightly ahead of the group, more serious than usual

Raye: Ty… you've been really thinking of something.

Dawn: **Smile** It's your gym battle thought.

Ty: You got that right, Dawn. I need to be ready before we arrive there.

Teddiursa: Teddiursa.

Jonah: And you're thinking about your strategy for the gym battle?

Ty: Yes. That's more than that. I need more strength for me and my team.

Jonah: You're finally taking it more seriously.

Sarah: **Smile** Yeah, he is more serious since we want more challenges.

Ty: I agree with you, cousin, but now, I can't afford to fall short.

Sakura: You'll have time to reach your goal.

Avery: Can he keep up with that?

May: It means that he can't fall behind without training.

Lillie: That's why he's very important.

Manaphy: Manaphy.

Ash: And walking is a good exercise.

Dawn: That's more advantageous.

Pikachu: Pika Pika.

Ty: I appreciate it guys. Let's be on our way to Mahogany Town. I'm more excited than ever.

Teddiursa: Teddiursa.

(Pokemon Master Revolution Theme Song Plays:)
I've become the very best
That no one ever was
I've traveled regions and caught some more and now it's time to rest.
Not so fast, here comes some more
And new friends too and they got some things to do
I'll teach them, all the things I've learn about
Pokemon, gotta catch em all, gotta catch em all
I guess it's true and my friends are with me too
It is time for a brand new journey and Pokémon gotta catch em all
Gotta catch em all
Pokémon Master Revolution
Pokémon

May (Narrator): A Trial of Strength!
The group continues walking along the long route toward Mahogany Town. The sun hangs lower in the sky as everyone slowly begins losing energy

Max: **A bit tired** Oh man, I'm getting tired now…

Togepi: Toge?

Avery: How much farther is this route? We've been walking for hours.

Dawn: Yeah, and we're definitely getting hungry right now.

Raye: We could really use a break.

Jonah: And we've covered a good distance already.

Ty: Well, I can still walk and save energy. We can keep going.

Lillie: But everyone’s starting to get exhausted.

May: Even Manaphy looks tired now.

Manaphy: Mana.

Ty: We should keep moving, that won't be our problem.

Ash: You still wanna keep going, you'll be needing some break.

Pikachu: Pika.

Ty: **Determined** Hey, come on. Mahogany Town’s getting closer. We can’t waste time.

Sarah: You’re the only one with energy left, cousin. We should stop.

Max: And we're starving…

Sakura: We need to stop for our meals.

Raye: Even training’s harder on an empty stomach.

Ty: So? We can keep walking while eating. That should help you with that.
Suddenly, Ty's stomach rumbling, everyone goes silent for a moment

Ty: Ehh...

Ash: ...Uh?

Max: Guess somebody's hungry too.

Raye: Ty...

Ty: Umm...I'm hungry too.....okay, let's take a break for now.

Ash: **Smile** There we go.

Sarah: **Smile** Oh, good.

Jonah: Looks like your body already made the decision.

Ty: Yeah, yeah...I need to save my energy anyway.
Sakura looks around the nearby area, and points ahead toward a peaceful small lake surrounded by trees

Sakura: Maybe we can stop at a lake nearby. That could be a good place to camp.

Avery: And there's plenty of open space too.

Jonah: Good visibility.

Ty: **Chuckles slightly** Guess everyone already decided.

Teddiursa: Teddiursa.
The group begins setting up tents, and preparing lunch while the late afternoon breeze blows gently across the water

Ash: Alright, let's get everything ready.

Lillie: I can organize the bags.

Ash: Sure thing.

Sarah: Hm?
Ty is seen training Teddiursa in the distance

Sarah: He's doing training right now?

Dawn: He does that while waiting his meal, of course.

Sarah: I thought of that.
Ty stands with Teddiursa near several logs and rocks

Ty: Alright, buddy, let's keep going.

Teddiursa: Ursa.

Ty: Now, use Fury Swipes on that log!

Teddiursa: Teddiursa!
Teddiursa rushes forward, slashing rapidly with glowing claws, splitting the wooden log cleanly in half

Ty: Nice! Your speed’s getting better.

Teddiursa: Ursa!

Ty: Now, try to use Payback on that rock!

Teddiursa: Ursa! Ursa!
Dark energy surrounds Teddiursa as it charges toward the small rock, shattering into several broken pieces

Teddiursa: Ursa…

Ty: **Amazed** That was incredible!

Teddiursa: Teddiursa!

Ty: You’re getting stronger every day, buddy. At this rate… we’ll be ready for our gym battle.

Teddiursa: Ursa.
Ty kneels slightly, looking proudly at his Pokémon partner

Ash: Hey, Ty! Lunch is ready!

Pikachu: Pikachu!

Raye: You better come before Max eats everything.

Max: Hey!

Ty: **Chuckles lightly** Alright, we’re coming. Let's eat lunch, buddy.

Teddiursa: Teddiursa.

The group sits together near the lakeside campsite, enjoying lunch while the sun slowly lowers in the afternoon sky.]

Lillie: It’s nice having a peaceful moment together.

Avery: Yeah. Especially without Team Skull showing up. They caused a lot of problems.

Sarah: I'm pretty sure they won't show up that way.

Jonah: So, what’s everyone planning to do for the rest of the day?

Raye: I kinda wanna relax for a bit.

Sakura: Maybe training later might not be bad either.

Avery: I'm always up for training.

Ty: **Thinking** Hmm…I just made a suggestion.

Teddiursa: Ursa?

Ty: Why don't we say if we want a Pokémon battle.

Lillie: Already? We're eating lunch from taking a break, and now you want to battle?

Ty: I need more experience before my gym battle, it'll help by making my pokemon more powerful. And I made an idea that can prove me more.

Ash & his friends: Hm?
Ty looks at Jonah and Sarah, having an idea

Ty: Jonah. Sarah. Let's have a battle, you two versus me.

Jonah: You mean like a training match?

Sarah: Are you sure you want us to battle with you?

Ty: I will. I can't afford to. Battling stronger opponents will help me improve faster. I'll never stop.

Raye: At least enjoy lunch first. That should buy you some time.

Ty: I am enjoying it. Barely!

May: He's completely focused on his main goal.

Ash: He is making a lot of progress.

Jonah: Alright, buddy. I'm in.

Sarah: So do I.

Ty: Good. Let's get busy.

Max: Wait, you're both battling him, already?

Jonah: This battle makes things more interesting, and tougher.

Sarah: And that's exactly what I want, by facing my favorite cousin here.

Dawn: A two-on-one battle sounds intense.

Sakura: Ty's really pushing himself today, I just hope he doesn't overdo it.

Ty: Then let's start as soon as we're done here. Let's go, buddy.

Teddiursa: Ursa!
Both Ty and Teddiursa eat their meals quickly while their friends smile nervously about them. After that, Ty got in position which goes the same for the training battle

Jonah: This should be a great match.

Sarah: Ty looks completely serious right now, determined to improve.

Jonah: A two-on-one battle won't be easy though.

Ty: All right buddy, we're not holding back from this. Are you ready?

Teddiursa: **Nodded** Teddiursa.

Avery: I hope everyone stays safe.

Lillie: They'll be fine. We wait for their outcome.

Ty: You two are ready?

Sarah & Jonah: We are.

Jonah: Allright, Squirtle, you're up!

Squirtle: Squirtle, squirtle!

Sarah: Let's go, Litten!

Litten: Litt, litt!

Ty: All right, Teddiursa. Here we go!

Teddiursa: Ursa.

Ty: Let's go, Croconaw! Give them what you got!

Croconaw: Croco!

Jonah: Let this battle get started. Squirtle, use Rapid Spin on Teddiursa!

Squirtle: Squirtle, squirtle!

Ty: Teddiursa, dodge it!

Teddiursa: Teddiursa!

Ty: Now counter with Payback!

Teddiursa: Ursa!

Squirtle: **Being hit**
Squirtle spins rapidly across the field toward Teddiursa, leaping aside just before Rapid Spin connects. Then, Teddiursa as it slashes directly into Squirtle

Squirtle: Squirt, squirt!

Jonah: Nice counter, Ty.

Sarah: That was an amazing move, cousin.

Ty: Thanks, I'm getting better at this.

Sarah: Let's see what you got. Litten, use Double Kick!

Litten: Litt, litt!
Litten rushes in with a jumping double strike

Ty: Teddiursa, evade that attack!

Teddiursa: Teddiursa!

Ty: Now use Fury Swipes!

Teddiursa: Teddiursa!

Litten: **Being hit**
Teddiursa ducks and sidesteps quickly, striking rapidly across Litten with multiple claw attacks

Sarah: Litten, steady yourself!

Litten: Litt.

Avery: Whoa. Ty’s really focused today.

May: He’s battling much more aggressively too.

Dawn: His training’s definitely helping him improve.

Ash: **Smiling** He’s getting sharper with every battle.

Pikachu: Pika!

Dawn: His commands are really fast now.

Avery: And Teddiursa’s reaction instantly.
The battle continues intensely at the lakeside field as both sides remain focused

Sarah: Let's switch tactics Litten, use Fire Fang!

Litten: Litten!

Ty: Teddiursa, dodge that attack once again!

Teddiursa: Ursa! Ursa!
Litten rushes forward, flames surrounding its fangs as it lunges at Teddiursa. But quickly sidesteps the attack just before impact

Ty: Now use Fury Swipes again!

Teddiursa: Ursa!

Litten: **Being hit**
Teddiursa slashes rapidly toward Litten, stumbles backward from the attack but quickly regains footing

Sarah: Good recovery, Litten. Keep battling!

Litten: Litten!

Sarah: **Smiles slightly** You’ve improved a lot, cousin.

Ty: **Smiles briefly** Thanks, Sarah. But I’m not done yet. Teddiursa, use Feint Attack!

Teddiursa: Teddiursa!
Teddiursa vanishes into the shadows, preparing to strike

Sarah: Stay alert, Litten! Dodge the attack and counter with Double Kick!

Litten: Litten!

Teddiursa: Ursa?

Ty: Huh!?

Litten: Litt! Litt!

Teddiursa: **Being hit**
Litten narrowly avoids the strike and immediately lands two fast kicks against Teddiursa

Teddiursa: Ursa!

Ty: Buddy!

Sarah: It's your turn, Jonah!

Jonah: On it! Squirtle, Water Gun now!

Squirtle: Squirtle! Squirtle!

Teddiursa: **Being hit**
A stream of water blasts toward Teddiursa, landing a direct hit

Teddiursa: Teddiursa!!

May: Oh no.

Sakura: That hit hard.

Dawn: They actually got him.
Teddiursa breathes heavily after enduring multiple attacks

Ty: **Concerned but calm** You did great today, Teddiursa.

Teddiursa: Teddiursa.

Ty: Why don't you take a break and watch me battle? [

Teddiursa: **Nodded** Ursa.
Despite the battle, Teddiursa stood with the gang watching Ty continue his training battle against Sarah and Jonah

Ty: All right Croconaw, you ready to battle?

Croconaw: Croco!

Jonah: Before we resume the battle, we should switch our next pokemon.

Sarah: Good idea, Jonah. Litten, return.

Jonah: You too, Squirtle.
They recall Squirtle and Litten back to their pokeball, as they ready to send Minun and Girafarig

Jonah: Now it's your turn to battle. Minun, let’s go!

Minun: Minun!

Sarah: Girafarig, come on out!

Girafarig: Gira!

Raye: Now the battle’s changing pace.

Avery: That’s gonna be tricky since Ty is really getting pushed now.

Lillie: But he still looks determined.

Sakura: They’re really gaining more advantage during this training battle.

Ash: Yeah! Their training’s starting to turn in their favor. Ty’s adapting faster than before.

Pikachu: Pika.

Ty: **Smiling confidently** Ready for round two? Cause I'm ready in no time.

Jonah: **Smile** You bet we are. Minun, use Quick Attack!

Minun: Minun! Min, min, min!

Ty: Croconaw, avoid the attack by sidestep.

Croconaw: Croc! Croc!
Minun dashes rapidly toward Croconaw at high speed, as it quickly shifts aside, narrowly avoiding the attack

Ty: Now counter with Ice Fang!

Croconaw: Croconaw!

Jonah: Minun, dodge now!

Minun: Min!
Croconaw lunges forward with icy energy surrounding its jaws, just as Minun leaps away just in time

Jonah: Now, Sarah!

Sarah: With pleasure! Girafarig, use Stomp!

Girafarig: Gira!

Croconaw: **Being hit**
Girafarig rushes in immediately after Minun's dodge and slams down hard onto Croconaw

Ty: Croconaw!

Dawn: **Amazed** Whoa! That combo was awesome!

May: They timed that perfectly. Both of them are coordinating really well.

Manaphy: Mana.

Ash: **Amazed** They're all concentrating so much on their practice battle.

Ash: They're commanding their Pokémon with a lot more confidence now, and combining their attacks together really smoothly.
The training battle continues at full intensity as Croconaw faces Minun and Girafarig in the center of the battlefield

Ty: Nice teamwork, but we're not finished yet! Croconaw, use Water Gun!

Croconaw: Croco, croc!

Jonah: Dodge the attack again, Minun!

Sarah: You too, Girafarig, hurry!

Girafarig: Fariiiig!

Minun: Min! Min!
Minun leaps aside while Girafarig swiftly sidesteps, both avoiding the attack as Croconaw fires a strong stream of water toward both opponents, missing it

Jonah: Minun, use Spark!

Sarah: Girafarig, use Tackle!

Minun: Minun!

Girafarig: Fariiiig!

Croconaw: **Being hit**
Girafarig charges forward while Minun follows with Spark, creating a perfectly timed combo attack, causing an direct impact

Ty: Croconaw, brace yourself!

Croconaw: Croc…

Avery: Whoa! That combo move was super strong!

Raye: They timed their attacks perfectly again…

Max: Bith Jonah and Sarah really know how to pressure opponents together.

Togepi: Togepi.

Ty: **Determined** Croconaw, keep fighting! We can still do this!

Croconaw: **Nodded** Croco!

Ty: That's the spirit! Use Ice Fang!

Croconaw: Croco!

Sarah: Get ready to battle, Girafarig! Dodge the attack and use Stomp again!

Girafarig: Fariiiig!
Girafarig charges forward to retaliate while Croconaw rushes toward Girafarig with icy energy around its jaws

Ty: *(Not this time!)* Dodge, now!

Croconaw: Croc!
Croconaw quickly slides aside, avoiding the incoming Stomp

Sarah: **Surprised** Ah!?

Girafarig: **Shocked** Gira!?

Ty: Now, Ice Fang again!

Croconaw: Croconaw!

Girafarig: **Being hit**
Croconaw lunges instantly and lands Ice Fang directly onto Girafarig

Sarah: Girafarig!

Ash: **Observing** Wow! The three of them are using really calculated tactics and defensive counters.

Sakura: And they’re battling with really precise timing too.

Lillie: Nobody’s wasting opportunities out there.

Sarah: **Smile slightly** Not bad, Ty. You’re adapting quickly.

Ty: **Confidently and panting** I’m learning from every move…

Suddenly, Ty breathes more heavily than before while watching the battlefield

Ty: **Panting**

Sakura: Ty's breathing harder now...what's wrong with him?

Dawn: He's been battling nonstop since lunch. I think he's getting tired...

Teddiursa: **Concerned** Teddiursa...

Ty: **Still determined** That's enough for now. Return.
He recalls Croconaw into its Poké Ball as he prepares to send Gyarados in battle

Jonah: Are you all right, Ty? You look tired right now.

Ty: I'm fine, Jonah, don't worry. Let's continue this battle. Gyarados, let's go!

Gyarados: **Roaring**
The massive Pokémon appears with an intimidating roar, shaking the field slightly

Ash: Looks like he sent out Gyarados to battle.

Max: Yeah, but Ty is looking tired now. He's taking it seriously.

Dawn: **Concerned** ...
Ash and his friends noticed Ty getting as he pressed on the battle

Ty: I'm ready for battle. You ready, Gyarados?

Gyarados: **Roaring**

Sarah: Are you sure you're going to be okay, Ty?

Ty: Yeah. Try not to be worried about me now.

Sarah: **Worried expression** ... *(He's definitely pushing himself too hard. He should probably slow down.)*
The training battle intensifies as Gyarados towers over the battlefield, facing Minun and Girafarig

Ty: All right, Gyarados, use Dragon Rage!

Gyarados: **Roaring**

Sarah: Girafarig, quickly avoid the attack!

Jonah: Dodge the attack, Minun!

Girafarig: Fariiiig!

Minun: Min!
A spiraling blast of dragon-shaped energy surges across the battlefield toward Minun and Girafarig. Suddenly, both Pokémon leap away just before the Dragon Rage crashes into the ground, causing a powerful explosion

Jonah: Now, Minun, use Spark!

Minun: Minun!

Gyarados: **Being hit**
Electricity surrounds Minun as it rushes straight toward Gyarados, slamming a direct hit

Lillie: That hit landed perfectly!

Sakura: Ty's at a type disadvantage now...
Despite taking damage, Gyarados glares forward fiercely

Ty: **A bit panting** Don't stop now, Gyarados! Use Iron Tail!

Gyarados: **Roaring**

Jonah: Watch out, Minun!

Minun: Min!? **Being hit**
Gyarados swings its glowing steel-like tail with tremendous force, striking Minun directly

Minun: Min!!
Minun is sent tumbling across the battlefield before collapsing

Minun: **Fainted**

Jonah: Minun!

Sarah: **Surprised**

Ty: Yes! Good job, Gyarados!

Gyarados: **Roaring calmy**

Ash: Looks like Minun's down.

May: Gyarados turned the battle around fast.

Manaphy: Manaphy.

Pikachu: Pika.

Ty: **Breathing heavily but focused**
*After Minun was fainted, Ty is breathing heavily**

Lillie: He's getting more exhausted.

Raye: But he still refuses to slow down.

Jonah: You did great, Minun. Take a rest.
Minun returns to Jonah's Poké Ball

Jonah: **Smiles slightly** That was a strong counter, Ty

Ty: **Smile** I told you. I'm serious about winning that Gym badge.

Jonah: Sure you will. Rockruff, let's go!

Rockruff: Rockruff!
Jonah send it out Rockruff to battle, resuming the battle

Jonah: You ready for this, Sarah. I'm ready when you are. Ty, are you ready?

Ty: **Breathing heavily** Whenever your are, cousin.
Ty breathes heavily, sweat running down his face as he struggles to stay standing firmly

Sakura: **Concerned** He doesn't look very well. He's getting more exhausted of this.

Avery: Ty... you should stop the training battle already. You've pushed yourself enough today.

Ty: **Breathing hard** No...I can still battle...I'm not giving up yet.

Sarah: **Worried** Ty...

Ty: Gyarados, use Hydro Pump!

Gyarados: **Roaring**

Sarah: Girafarig, avoid!

Jonah: Rockruff, hurry!

Girafarig: Fariiiig!

Rockruff: Rockruff!
A massive blast of water surges toward Rockruff and Girafarig, leaping away, narrowly avoiding the Hydro Pump

Jonah: Now use Rock Throw!

Sarah: Girafarig, use Stomp!

Rockruff: Rockruff!

Girafarig: Fariiiig!

Gyarados: **Being hit**
Rockruff launches several rocks toward Gyarados while Girafarig rushes in to follow up. Ty was backing down despite his tiredness

Raye: Ty's barely standing...

Max: He's forcing himself too hard.

Ash: **Concerned** Ty, stop pushing yourself!

Pikachu: Pika!

Teddiursa: Teddiursa!

Ty: **Determined** Not yet! I'll finish this right now! Aqua Tail, now!

Gyarados: **Roaring**

Rockruff & Girafarig: **Being hit**
Water energy surrounds Gyarados' tail as it swings powerfully, striking both Rockruff and Girafarig at once, sending them flying backward. Both Pokémon hit the ground and faint

Jonah: Rockruff!

Sarah: Girafarig!

Rockruff & Girafarig: **Fainted**

Ty: Yes!! I won!

Gyarados: **Roaring**

Ash: Gyarados actually beat both of them.

May: That was incredible.

Manaphy: Manaphy.

Raye: But Ty looks awful…
Despite the battle is over, Ty breathes heavily, trying to stay upright

Ty: **Panting** We did it…we…won…
Ty suddenly stumbles forward, collapsing onto the ground from complete exhaustion

Ash & his friends: **Shocked**

Pikachu & his buddies: **Shocked**

Dawn: Ty!!!
Everyone rushes to Ty, checking on him

Ty: **Panting** …

May: Ty!

Jonah: He completely overworked himself.

Sarah: **Worried** I knew he was pushing too hard.

Teddiursa: **Worried** Ursa.
The group gathers around Ty as the sun begins setting over the lake, concern filling the air

May: He's completely exhausted…he lost his energy.

Raye: He's breathing. He just pushed himself beyond his limit.

Sarah: **Concerned** I told him to stop, but he didn't listen.

Avery: We need to get him back to camp, he needs to rest.

Ash: Right.
During night at the campsite beside the lake. A campfire crackles softly while the group quietly sits nearby. Ty rests inside a sleeping bag besides the fire

Raye: How's he doing?

Lillie: He's still asleep…

May: He really overdid it today.

Jonah: He always pushes himself harder than everyone else.

Sarah: Ty did even harder sometimes. He just wants to get stronger.

Lillie: At least the training battle showed how much he's improved.

Ash: And his battling was really impressive.

Avery: But still, strength means knowing your limits too.

Max: I didn't think he'd actually collapse after he refused to stop.

Togepi: Toge…

The gang are looking at Ty, still tired but taking a sleep

Sakura: He still hasn't awakened yet. Should we leave him be?

Dawn: Maybe I should stay over, and watch him.

Teddiursa: Ursa…

Dawn: Hey, Teddiursa, it's okay. He'll be all right.
Suddenly, Ty slowly stirs, groaning softly

Ty: ...Mmm...

Raye: **Relieved** Ty.

Ash & his friends: **Relieved**

Pikachu & his buddies: **Relieved**

Sarah: **Smile** Hey there, cousin.

May: **Smile** Are you alright?

Manaphy: Manaphy.
Ty slowly sits up, still tired, but a bit better

Ty: **Confused** What happened? I must've missed something?

Ash: You collapsed during the battle cause you refused to back down.

Ty: **Blinks but remembering** Huh…oh yeah, right. I forgot about that.

Avery: **Sweat drop** Of course you forgot. You ordered Gyarados to take down both Jonah and Sarah's pokemon with Aqua Tail.

Jonah: You pushed yourself way too hard. You nearly scared everyone of us.

Ty: **Slightly laugh embarrassed** Hehehe, sorry…just wanted to demonstrate.

Lillie: *Smiling softly* But we're just glad you're okay.

Max: You should really rest more often next time, even strong people need breaks.

Raye: You don't always have to force yourself so much.

Ty: **Smiles weakly** I know…But I'm fine now. I got carried away.

Ash: **Smile** Hey, you made your best effort by helping your pokemons by getting strong, which is why you're learning more.

Pikachu: Pikachu!

Teddiursa: Teddiursa!

Ty: **Chuckles lightly** Thanks, Ash. Next time, I will listen to you so I don't pass out again. That's an understatement.

Sakura: **Smile** That's why this training is important for you, cousin.

Ty: **Smile** Thanks, Sarah.

Ty sits near the fire with the group gathered around him

Ty: Sorry that you saw me passing out. I didn't mean to worry all of you.

Sakura You don't need to apologize for that. You made your effort. You acknowledged your training.

Ty: Yeah. If I'm going to win my next Gym badge, I know I still have a lot more to learn.

May: At least you realize that now. Learning your limits is important too.

Ash: **Smiling confidently** Still, your training battle today was outstanding. You battled with a lot more confidence and strategy than before.

Pikachu: Pika.

Ty: Thanks. I gave everything I got.

Dawn: And your Pokémon trusted you the whole time. And Gyarados's Aqua Tail was awesome! You've made a lot of progress already.

Ty: **Chuckles** Naturally.
Teddiursa hops on Ty's shoulder

Teddiursa: **Happy** Teddiursa.

Ty: **Smile** Hahaha. You did an awesome battle too, buddy.
As Ty is feeling better, the gang is ready for bed

Raye: **Yawning** I think we should get some sleep.

Ash: Yeah. Come on, everyone. Let's let Ty rest so he can feel better by tomorrow morning.

Pikachu: Pika.

May: All right then.

Manaphy: Mana.

Togepi: **Yawning** Piiii....

Max: You're getting sleepy, buddy. Let's go to bed.
The group slowly heads toward their tents, however, Dawn quietly remains sitting beside Ty near the fire while the others settle down

Dawn: Ty. I think I'll stay here a little longer.

Ty: Well, you don't have to.

Dawn: I know…But I was worried about you.

Ty: Hm?

Dawn: When you collapsed earlier, everyone got scared.

Ty: You don't have to worry about me.

Dawn: Maybe not… but I still will.

Ty: **Laugh quietly** I'm okay now. Really.

Teddiursa: **Yawning** Ursa…**Sleeping**
The two sit quietly beside the campfire as the lake reflects the moonlight

Ty: Thanks for staying.

Dawn: Anytime.
The next morning, the sky is clear as the group begins packing their camping gear and preparing to continue their journey

Ty: Ahhhh, rise and shine.
Ty steps out from near the tents, stretching lightly

Ash: **Smile** Feeling a lot better now?

Ty: **Smile** Yep. I feel a lot better.

Raye: Looks like you finally recovered. That's good to hear.

Ty: I'am. And now I'm ready for Mahogany Gym battle.

Teddiursa: Teddiursa.

Jonah: Just make sure you don't pass out again.

Ty: No promises.

Jonah: Ty.

Ty: **Laughs lightly** Relax. I'll manage myself better this time.

Ty & Jonah: **Smiling each other**

Sarah: **Smile softly** Still, your training strategy yesterday was impressive. You adapted well under pressure.

Ty: Thanks, Sarah.

Avery: Looks like all that hard work paid off.

Ty: Definitely.

Dawn: So Mahogany Town's really close now, right?

Ash: Yep! We should reach it soon if we keep moving.

Pikachu: Pika.

Lillie: Then let's not waste time. I'm excited to see the Gym battle!

Ty: All right then. Let's move on!

Teddiursa: Teddiursa!
The group begins walking down the route together as the morning sun shines brightly ahead

Narrator: With renewed energy, stronger bonds, and determination burning brighter than ever, Ash, Ty, and their friends continue onward to Mahogany Town—where Ty's next Gym challenge awaits!

To be continued...
